Commissioner for Patents

The Request to Correct Inventorship under 37 CFR 1.48(a) filed 23 April 2008 is being treated as a Request to Correct Inventorship under 37 CFR 1.324 since the paper was addressed after the patent issued. The request to correct the inventorship of this patent under 37 CFR 1.324 is deficient because it does not include a statement from the current named inventors either agreeing to the change of inventorship or stating that they have no disagreement in regard to the requested change as required by 37 CFR 1.324(b)(2).
